

End-Point Assessment Specification

Leader in Adult Care

Level 5

1 *What the* ROLE ENTAILS

The Leader in Adult Care will guide and inspire teams to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges. They will be a leader of the care team and will develop and implement a values-based culture at a service or unit level. They may be responsible for business development, financial control, organisational resilience and continuity as well as for managing risk and leading on organisational change.

A Leader in Adult Care has responsibility for managing community or residential based services. This role has a large element of leadership, whether with other care workers and networks or in leading the service itself.

2 *On-programme* ASSESSMENT

Before entering Gateway, the apprentice must complete the following on-programme assessment requirements:

- Level 2 English and maths
- Level 5 Diploma in Leadership and Management for Adult Care

3 *Gateway* REQUIREMENTS

The employer, independent training provider (ITP) and apprentice make the decision to take the apprentice through Gateway. The apprentice must achieve all the required on-programme elements before they enter Gateway

4 End Point ASSESSMENT

Observation of Leadership

Observation of Leadership must include the ability to demonstrate leadership to an organisational audience. It is expected that the Apprentice will lead the activity and will have prepared for this in advance and have all necessary information and evidence prepared beforehand

Apprentices must ensure that the appropriate organisational staff are present at the activity and are notified in advance and the selected leadership activity must be based on real-life improvement to the apprentice's employer and the users of their services

Professional discussion

The professional discussion is for the independent assessor to ask the apprentice questions in relation to knowledge, skills and behaviours as set out in the apprenticeship standard. The independent assessor must ensure that a minimum of one question is asked for each of the knowledge, skills and behaviour groups that are mapped to this assessment method, as defined in the Occupational Standard (e.g. tasks and responsibilities, dignity and human rights, communication, safeguarding, health and wellbeing, professional development, leadership).

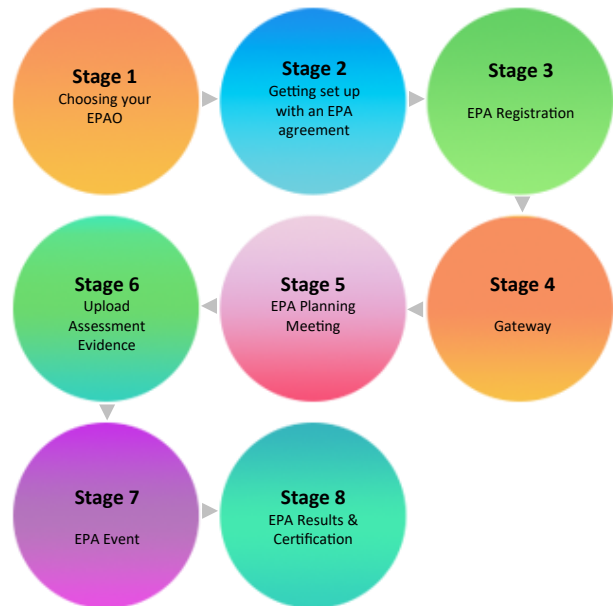

Steadfast EPA will select questions from a standardised question bank and adapt these questions based on responses given

5 Completion & CERTIFICATION

We will activate certification once the apprentice has successfully completed all EPAs, and the IEPA has verified this. Working with the apprenticeship certificate issuing authority, we will ensure the apprentice receives their certificate.

Why choose Steadfast EPA?

We are an Ofqual approved End-Point Assessment Organisation (EPAO) specialising in EPA delivery across health, education, care, and business apprenticeship standards. We offer flexible and reliable EPA solutions supported by sector expertise, guidance documents and proactive service and support. We believe that we offer a premium service to our clients, combining excellent customer service with high quality, fair and robust end point assessments
