

End-Point Assessment Specification

Corporate Responsibility & Sustainability Practitioner

Level 4

1 *What the* ROLE ENTAILS

This is not a routine office job; the Corporate Responsibility & Sustainability Practitioners (CR&S Practitioners) will typically be working on multiple initiatives covering a variety of geographies, focus areas, and stakeholders. CR&S Practitioners are found in the public, private or third sectors, in all industries. They are increasingly a key component of virtually all types of business models where profit and growth are a means to an even greater end, such as protecting the environment and improving societal sustainability. Their broad purpose is to be a social conscience for the organisation, innovating and embedding initiatives for social and environmental change, across the organisation .

2 *On-programme* ASSESSMENT

- Training to develop the occupation standard's knowledge, skills and behaviours (KSBs).
- Compiling a portfolio of evidence.
- English and Maths Level 2

3 Gateway REQUIREMENTS

Confirmation that the employer is satisfied the apprentice is consistently working at, or above, the level of the occupational standard. Submission of the completed REPA form.

English and mathematics at Level 2 (certificates or exemptions)

Submission of a portfolio of evidence

The project title, brief summary and terms of reference should be agreed between the employer, the apprentice and the EPAO at the gateway.

4 End Point ASSESSMENT

Professional Discussion underpinned by a portfolio of evidence

60 minutes

Undertaken remotely

The professional discussion is graded as Fail, Pass or Distinction

Work-based project report and presentation

5000 word report; 45 minutes for presentation & questions

Undertaken remotely

The professional discussion is graded as Fail, Pass or Distinction

Performance in the EPA will determine the overall apprenticeship standard and grade of:

- Fail
- Pass
- Distinction

5 Completion & CERTIFICATION

We will activate certification once the apprentice has successfully completed all EPAs, and the IEPA has verified this.

Working with the apprenticeship certificate issuing authority, we will ensure the apprentice receives their certificate.
