

End-Point Assessment Specification

Facilities Management Supervisor

Level 3

1 *What the* ROLE ENTAILS

This occupation is found in small and medium enterprises, large and multinational organisations in private and public sectors. For example: housing, health, social care, energy, hospitality, education, commercial properties, leisure, and retail. It is found in organisations where the management of multi-disciplinary activities, within the built environment, impact upon people and the workplace. At a corporate level, facilities management contributes to the delivery of strategic and operational objectives. On a day-to-day level, effective facilities management activities are vital to the performance and success of any organisation, whatever its size and scope.

2 *On-programme* ASSESSMENT

Before entering Gateway, the apprentice must complete a portfolio of evidence as well as

- Completing training in the knowledge, skills and behaviours (KSBs) outlined in the standard
- Completing English and mathematics qualifications in line with the apprenticeship funding

3 *Gateway* REQUIREMENTS

The employer, independent training provider (ITP) and apprentice make the decision to take the apprentice through Gateway.

Portfolio of evidence

English and maths

Submit a 500 word project proposal

4 *End Point* ASSESSMENT

Project report with presentation and questions

The apprentice will complete a project and submit a project report and presentation after gateway. The apprentice will do the presentation for the IEPA and this will be followed by questions

Professional discussion underpinned by a portfolio of evidence

The discussion will draw questions and amplifications from a review of the portfolio and the KSBs mapped to this assessment method.

Why choose Steadfast Assessment?

We are an Ofqual approved End-Point Assessment Organisation (EPAO) specialising in EPA delivery across health, education, care, and business apprenticeship standards. We offer flexible and reliable EPA solutions supported by sector expertise, guidance documents and proactive service and support. We believe that we offer a premium service to our clients, combining excellent customer service with high quality, fair and robust end point assessments
